EMPOWERMENT THROUGH ARTISTRY: NURTURING THE CHANGEMAKERS OF TOMORROW

WHY FINE ART?

Drive positive change and lead the next generation of artists and designers by nurturing your talent, and discovering your artistic identity through the arts. Here at the NAFA Faculty of Art & Design, School of Fine Art, we encourage you to develop your passion for fine art whilst learning how to be effective creative thinkers, problem solvers and builders of the future.

Create your own art practices through acquiring technical skills and conceptual knowledge from exposure to traditional and contemporary approaches.

Develop connections, creativity and interdisciplinary thinking through study trips, art residencies, industry projects, collaborations and more with renowned artists and companies.

Critically engage with medium and material in the exploration of 2D, 3D, and 4D practices.

All diploma programmes within the School of Fine Art have the option of progressing seamlessly into Bachelor's degree programmes conferred by the world-renowned University of the Arts London. Bachelor degree graduates can progress into the Master of Fine Arts Fine Art programme conferred by the University of Arts Singapore to deepen their expertise and craft.

Diploma in Fine Art

Take each challenge as a learning experience and constantly remind yourself that it's okay to make mistakes in the process. Being part of the arts industry comes with lots of experimenting in the works you create, leading to dissatisfaction and disappointments. Despite such obstacles, it's important to be in control of what you feel and want. Let your passion decide your future, and watch yourself grow into fulfilment.

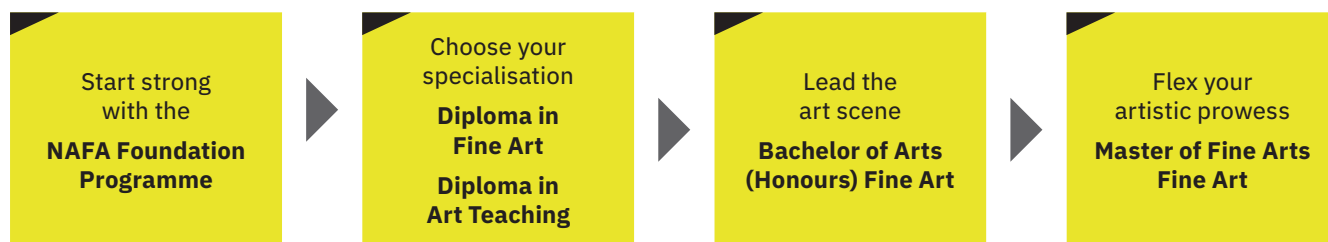

Lauryn Beth Fernandez
Alumna
Bachelor of Arts (Honours) Fine Art

Through sharing and learning from other people's experiences and perspectives at NAFA, I could widen my scope of understanding in my own practice and my position in the creative industry. NAFA is a conducive environment for a young practitioner to flourish, there were resources to aid my artistic development, I had the freedom for independent learning and opportunities for personal exploration and growth.
